**Ned Kelly's Last Stand** - This wonderful attraction is not a movie theatre or sound and light show, it is through the brilliance of animatronic and live special effects. You will be taken back to 1880 to be part of the fateful moments before and during the Glenrowan siege. The show runs for 40 minutes (you move through separate rooms) and starts every 30 minutes. As it only takes a maximum of 40 people at a time, we would like you to indicate your preferred time to attend this show so the venue can still accept general public. A discounted amount has been arranged for our entrants, to be paid directly to the venue on the day. For those wishing to do the late times can reverse the day's events.
